Sir.

I have written to you before with questions concerning the assassination of Joh F Kennedy. If you have the time or the answers to these questions, I would be most thankfull for your reply. Or else maybe you could tell me where I can find these answers.

These questions concern the Smith & Wesson .38 Special revolver oswald was to have purchased from Seaport traders, Inc, Los Angles.

The Warren Report states this revolver was received with a shipment of 99 other guns in one crate. Question (1) were all 99 guns Smith & Wesson .38s or only this one. This shipment was received by them on 1-3-63. On 1-27-63 or before Seaport traders received an order cupon from oswald for the gun. The Warren Report does not give the magazine this cupon was from, let alone the date (month) question. If Seaport traders received the gun on 1-3-63, how could the magazine place the ad so soon?

Also, the gun was shipped on 3-20-63 C.O.D. to P.O. Box 2915 Dallas, Tex to A R.J. HIDELL. Question: How can a package be sent C.O.D. to a P.O. Box?

who would pay the balance?

The Warren Report states the C.O.D balance was collected by Hidell, The Report does not show a signature on their receipt or a date it was paid. question: Do you have a record of their C.O.D receipt?

Thank for your time. I hope you are feeling better. Enclosed is a S.A.S.E. or if you prefer you can feel free to call collect at 404-461-8308

Thank you for your help

James D Stuart

P.S. Do you know if it is still possible to obtain a copy of the twenty-six volumes of Hearings and Exhibits?
